## LORD OF THE ELEMENTS Interweaving Christianity and Nature

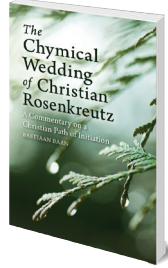

The four classical elements of earth, water, air and fire continue to be significant throughout Christianity. Different streams of thought have emphasised them in different ways. Bastiaan Baan brings these elements together with Rudolf Steiner's anthroposophical ideas.

## SOURCES OF CHRISTIANITY

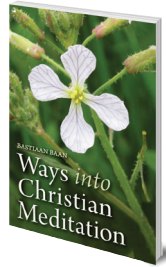

Peter, Paul and John

In this insightful book Bastiaan Baan offers an intriguing exploration of the three apostles, Peter, Paul and John, their connections, differences and continuing relevance to understanding Christianity.

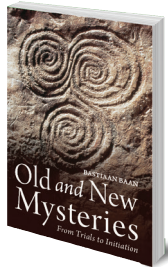

## THE CHYMICAL WEDDING OF CHRISTIAN ROSENCREUTZ A Commentary on a Christian Path of Initiation

Baan's interpretation and commentary makes one of the most important writings of esoteric Christianity accessible, and shows that the content is as valuable today as it was hundreds of years ago.

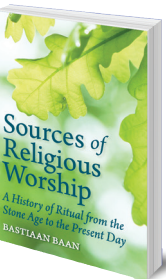

## WAYS INTO CHRISTIAN MEDITATION

Meditation is a path to self-awareness and a bridge into the spiritual world. Many popular techniques originated in eastern traditions, but this book describes an approach derived from western Christianity.

## OLD AND NEW MYSTERIES From Trials to Initiation

This is a compelling exploration of religious initiation ceremonies, and their relevance to contemporary culture. The trials and rites that historically took place in mystery centres of antiquity are vividly described in this captivating book.

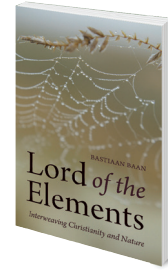

## SOURCES OF RELIGIOUS WORSHIP

A History of Ritual from the Stone Age to the Present Day

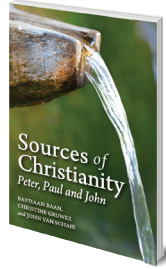

A fascinating book tracing the origins and metamorphosis of human religion in historical, theological and humanistic terms, examining its significance for human life on earth and in the spiritual world.
