2022 Membership Renewal

Together we can strengthen the impact of anthroposophy in the world. Please renew your support today.

The basis of membership in the Anthroposophical Society is participation, which takes many forms. With a consciousness to be more inclusive, your membership is not dependent on a set financial contribution.

Your membership contribution is vital to the work of anthroposophy in the United States and at the Goetheanum.

We ask that you consider your situation and give generously, so that we may continue to work in service to our members, the movement, and the critical and healing work of anthroposophy in the world today. We are grateful for your support!

Thank you!
