**Description:**

**Imaginatively Illustrated Book for All Ages  
that warmly shares the Mystery  
of passing through the Gates of Birthing and Dying.  
It colorfully tells the story of being "Born in"  
...of living one's life fully, and, then,**

**of giving back to the Universe  
when we depart...as we are "Born out."**

**"An important resource  
that provides a gentle opportunity  
for families and communities  
to begin to talk openly with each other  
about Birth and Death.  
It helps young and old  
to deepen their own understanding  
of this Mystery,  
especially after a loved one has passed."**
