FROM THE WORK OF RUDOLF STEINER

OF THE DEAD

on the Spiritual Path

"It is urgently necessary for humankind to become conscious of the fact that the 'so-called dead' & the spiritual world are working into the actual details of physical existence, for good or ill."

. ~ **Rudolf Steiner**, Anthroposophy and Natural Science 12 November, 1917

Man as Symphony of the Creative Word

... This bat-residue is the most craved-for nutriment of what I have described as the Dragon. But this bat-residue must first be breathed into the human being. The Dragon finds his surest foothold in human nature when man allows his unconscious instincts to be imbued with these emanations of the bats. There they seethe. And the dragon feeds on them & grows".

~Rudolf Steiner, Man as Symphony of the Creative Word

Rudolf Steiner

Why have these souls condemned themselves to such service"?...

During their lives on earth they indulged in love of ease & comfort".

If we consider how widespread love of ease has become,
we will find that Ahriman has a considerable number of recruits"

"a lie is like a murder in the spiritual world'...

"Imagine a people which was composed entirely of liars - the astral plane would be populated solely by the corresponding demons which these lies create; and these demons would be able to express themselves in a constitutional tendency to epidemics. Thus there is a certain species of bacilli who are the carriers of infectious diseases; these beings are the progeny of the lies told by human beings; they are nothing else than physically embodied demons generated by lies."

~ Rudolf Steiner (GA 99 - L.6) Theosophy of the Rosicrucian - The Law of Destiny.

'...a holy mission laid upon humanity of the present, which informs the future, to work with the divine-spiritual beings who guide the world, and with the so-called dead' ~Rudolf Steiner, Geographic Medicine

"For what is acquired here as wisdom, becomes light over there, spiritual light.
Wisdom is spiritual light.
In order that it may not be dark across the Threshold, we need wisdom."

~Rudolf Steiner, Geographic Medicine

"...If we pass thru the portal of death having loved power or wealth, or debased our thinking by only following materialistic concepts, or other sense-based things, then we must remain in the region of the earth as a destructive force, and then this love, is applied to the work of destruction. These beings love the work of destruction, but the saving grace is, that they are compelled to observe themselves in this false, misplaced love, which is really a lust; an enslavement".

~Rudolf Steiner, The Problem of Destiny

"If sickness and health did not exist, we would never be able to unfold the fruits of our own labor in the development of the world.

For only by a knowledge of our mistakes can truth be arrived at.

The human being learns to overcome mistakes and errors, in healing on the one hand, and on the other we meet the mistakes which we were not able to overcome in life, in the existence between death and a new life, so that we learn to overcome them in the next life"

"If the person knows why they are yoked to the spirits that bring epidemics about, they also realize that they must suffer from this sickness themselves in their next life, in order to work towards a cosmic compensation. If the soul remains ignorant of the reason, they create the same karma, the compensation can only occur in a later incarnation - progress is postponed, not only for the individual, but this has repercussions for the whole of humanity, slowing the progress of our highest evolution"

~Rudolf Steiner, Occult Research into Life Between Death and a New Birth

"A being like Ahriman, who will incarnate in the West, prepares for this incarnation in advance.

With a view to his incarnation on the earth, Ahriman guides certain forces in evolution in such a way that they may be of the greatest possible advantage to him.

And evil would result were people to live on in a state of drowsy unawareness, unable to recognize certain phenomena in life as preparations for Ahriman's incarnation in the flesh. The right stand can be taken only by recognizing in one or another series of events the preparation that is being made by Ahriman for his earthly existence. And the time has now come for individual human beings to know what tendencies and events around them are machinations of Ahriman, helping him to prepare for his approaching incarnation."

~Rudolf Steiner, Lucifer and Ahriman Lecture 1: GA 191 - Dornach, 1 Nov 1919.
